7.6 Any other relevant information the institution wishes to add. (for example SWOC Analysis)

<u>Strength:</u>	<ul style="list-style-type: none"> • The College is located in the most convenient area and surrounded by Hostels, both for girls and boys, run by the University and also by state Government. • Good infrastructure including the monumental building erected during the British regime. There are well built class rooms equipped with modern facilities, wide playground, gardens and central library with a number of Rare books, journals and e-journals. • Large number of subjects are being taught in the college. Unique subjects like Anthropology, French, Philosophy, Yoga, Religion, Linguistics, Criminology, Urdu and Persian, Marathi, Sanskrit, Music etc. It is a matter of a pride to further add that a few subjects listed above are being taught only in our college in the entire north Karnataka. • Our college has exclusive Health Centre for both staff and students. • NCC wing and two units (A and B) of NSS are functioning to encourage students to take part in various activities and are also extending the services to the society. • Separate quarters are made available for both Teaching and Non-teaching faculty. • Students Grievance Redressal Cell is functioning in our college and redressing grievances of students.
------------------	---

	<ul style="list-style-type: none"> • Counselling and Career Guidance Cell is another student oriented unit which is guiding the students of the college. • The Youth Red-Cross wing is functioning for welfare of the community by organizing special lectures to bring awareness amongst the student community. • Separate Ladies Association to bring out the hidden talents of girl students. • Creative Response Students Forum is functioning to encourage new ideas in the minds of the students and help in moulding the creative instincts which are in abundance among the youth. It is great platform to explore as well as to expand creativity of the new generation. • Almost all the teaching faculty are well qualified with PhD and M.Phil degrees. • Karnatak Arts College Dharwad is recognized as the Research Center of the Karnatak University Dharwad. • The college is also having various committees and unions. • The departments in the college have study circles which not only arrange for special lecturers, study tours but also help students in their academic programs by giving prizes as a matter of encouragement. • There is a group of likeminded teaching faculty who pool out financial help to the economically deprived class of students by taking care of their annual fees as well as examination fees. • Majority of teachers of our college have Doctorate degrees. • The students welfare office is functioning in our college. This office attends the problems of students, gives the information about the placement of the students for various jobs, conducts parents meet, organizes the activities relating to the girl students awareness programs. • Independent rooms for teachers. • Separate ladies room. • Well equipped auditorium. • Our College is the constituent college of Karnatak University Dharwad.
Weaknesses	<ul style="list-style-type: none"> • Lack of regular teaching and non-teaching faculty. • Students from Bellary, Raichur areas and from other rural areas are coming in large number to take admission in this prestigious college. Number of students seeking admission is on the increase every year. The college is finding difficult to provide accommodation facility to all these students. • Since majority of the students are from rural areas ,they do not have the background of soft skills. Hence students have lack of awareness about soft skills. • Because of the semester system at Degree level , students feel that, they are over burdened and they show least interest in participating in sports and other extracurricular activities. Students' participation in sports and other activities is not up the mark.

Opportunities	<ul style="list-style-type: none"> • College Gymkhana gives wide range of opportunities to develop personality of students through various departments like Debate and Wallpaper, Cricket, Hockey, Indian Games, Athletics, Volleyball, Football and Cultural Department. • Bhava Sangam Forum encourages the students to publish their novels and poems. • Girl Students have an opportunity to explore their talents by participating in various activities conducted by ladies association of our college. • Students have an opportunity to participate in Debates, Elocutions, Sports, Cultural activities and community services through NSS and NCC also. • BBA/ B.Com (CS) students will get job opportunities in various companies through campus recruitment. • BTA/MTA students will be recommended to various companies from our Institution.
Challenges	<ul style="list-style-type: none"> • Lack of health consciousness among the students. • Less attention towards extracurricular activities. • Least attention towards writing skills due to over use of mobiles and computer related techniques. • Lack of students` interest in sports events. • Students are interested only in the job opportunities rather than building their overall personality. Hence learning is becoming more materialistic based and not knowledge oriented. • Moral and ethical values are on the decrease.

8. Plans of institution for next year

1. Setting up of mineral water plant in the college campus;
2. Installing LCDs in all the big classrooms.
3. To encourage the departments to conduct Conferences/Seminars in the various subjects out of the grants sanctioned by UGC for 2013-2014.
4. To add latest books and journals to the library.
5. To encourage the teaching faculty to take up research projects and meaningful research work.
6. To conduct Educative Study Tours and Personality Development Programs for the students.
7. To have more interactive sessions between the students and social activists, eminent scholars and artists, toppers in IAS/IPS/IFS/KAS etc.
8. To conduct innovative programs under 'Creative Response Students' Forum' and 'Bhava Sangam'.
9. To introduce e-books and e-journals in the library.
10. To encourage the students to take active participation in Sports, Cultural activities, NCC & NSS, Seminars and Workshops.
11. Electrification of Commerce building.
12. To Construct platforms in some class rooms in commerce building.
