Dr. Shrishail Ramappa Gani Assistant Professor Department of Statistics Karnataka Arts College Dharwad -580 001 INDIA

12 December 2016

Dear Dr Gani

Many congratulations on being selected as a Pavate Fellow. Your Pavate Fellowship is for a four month period from 1 January 2017 to 30 April 2017. It would be very helpful if you could let us know your travel plans, and particularly your confirmed arrival date and estimated time of arrival, once these have been finalised. Although your appointment is from 1<sup>st</sup> January, University life doesn't really get going until mid-January so you may prefer to arrive slightly later in the month and stay until mid-April. Of course you might have already been in contact with Professor Pedley about when it is best for you to arrive.

During your Fellowship you will be a senior member of Sidney Sussex College, and we are very much looking forward to welcoming you into our academic and social community. You will be provided with accommodation in the College, and will have the dining privileges of a Fellow, which entitles you to nine free meals (lunch or dinner) a week. You may also bring a guest at your own expense. The three most popular nights with Fellows are Wednesdays, Fridays and Sundays. The details of the arrangements for rent and other aspects of your stay are given on the attached sheet.

Your research work will be undertaken within the Department of Applied Mathematics and Theoretical Physics (DAMTP), where Professors Tim Pedley and Ron Horgan will act as your mentors.

We look forward to hearing from you as soon as possible with regards to your plans for arrival. May we remind you that you will need a **Business Visitors visa** for academics to do research and **NOT** a student visa.

Full term begins on Tuesday 17 January and it is our normal practice to welcome our Pavate fellows, along with other new College fellows, before dinner on the first Friday of term (Friday 20<sup>th</sup> January).

Yours sincerely
