Dharwad - 580001

NAAC
Re-Accredited

7.1.5.1 - The institutional initiatives for greening the campus are as follows:

1. Restricted entry of automobiles
2. Use of Bicycles/ Battery powered vehicles
3. Pedestrian Friendly pathways
4. Ban on Single use of Plastic
5. landscaping with trees and plants

The college aims at holistic approach to achieve and instill environmental consciousness among students and teachers and even public who use the campus for walking/games or enjoy the greenery. The College aims at increasing environmental consciousness which in turn helps to impart knowledge and create awareness about environmental concerns, to ensure better health and sanitation for all, to encourage students and faculties to participate in environmental conservation activities, to use environmental conservation as a medium to empower people and disseminate information about sensitive topics. Efforts for maintaining this gifted campus is carried out in various ways.

The initiatives for greening the campus include;

- There are proper parking lot for vehicles
- The staff and students are encouraged to use bicycles, and the college has a historical cycle stand. Some staff makes use of battery powered bikes
- The college campus has pedestrian friendly pathways
- The campus is maintained plastic free
- The office staff makes use of both sides of paper for printing and tries to practice paperless communication
- The campus is an eco-friendly with variety of rare species of trees, rare species of birds, a species of 35 or more, make home in the campus greenery. Gardens are well maintained.
- The NSS and NCC units are involved in programmes that help in green environment maintenance activities like cleaning campus grounds and buildings, tree plantation, health awareness rally etc.
- Special talks and awareness programmes are organized for students on health, sanitation and to imbibe eco-friendly attitudes.
