7.3.1 - Distinctiveness of the Institution

The Karnatak Arts college is a one of the oldest premier institutions in the North Karnataka region. The College being 106 years old established 1917, continues to build on its illustrious history as a pioneer in academic distinctions. The College offers various rare subjects as courses at course combinations. The co-existence of Karnatak Arts and Commerce College, Karnatak Science College and College of Music on the same campus provides students to study various subjects across disciplines including rare subject combinations such as, Geography, Anthropology, Philosophy, Logic, Criminology, Statistics, Mathematics, Tourism, Marathi, French, Music etc. Another feature of the college is about the College Gymkhana that co-evolved in 1917 and exists today with 12 departments. Most of the students taking admission in the college belong to the low-income/disadvantaged community wherein the College caters maximum to their meet their needs. Students get ample scope and exposure not only to academic but also extra-curricular activities. Every year the students of the college bag University ranks and Gold medals in academics, cultural and sports (University Blues). More than two thousand eight hundred students study to discover their intellectual passion through all the branches of education and also prepare for leadership through experimental learning opportunities, extensive career network, and countless co-curricular services on and off campus study activities. The college, well-known as KCD, has produced many eminent personalities not only in the field of science and technology, but also in literature, law, education, business etc.
